Description

We are looking for an intern that is interested in learning more about Child protective Investigations and child welfare work. Interns will shadow investigators and may attend home visits, child and adult interviews, forensic interviews, school visits, hospital visits, staff meeting, attend trainings and community events. Interns will also have the opportunity to work alongside our Family Based Safety Service staff.

This internship will give you hands-on experience in the field of child welfare and as you continue to grow your expertise you will be able to help with case-related tasks under staff supervision.
