## **BUDGET VARIANCES**

Schedules 1, 4, and 5 of this report reflect the agency's current projections for program expenditures, the LAR forecast for entitlement programs (Foster Care and Adoption Subsidy/PCA), Contracted Day Care services, and the Relative Other Designated Caregiver program. Projections for forecasted programs have been further adjusted to reflect anticipated general revenue savings from the enhanced FMAP rates approved through the CARES Act. The agency has also increased projections to account for the increased costs of supplemental payments to providers for 24-hour awake supervision requirements.

This report reflects an agency surplus of \$22.9 Million all funds consisting of a surplus \$17.0 million in General Revenue and a surplus of \$5.9 million in Federal Funds.

- Appropriations that are anticipated to result in lapsed budget authority are expressed as a positive variance:
  - 0001 – General Revenue
  - 0758 - GR- Medicaid Match
  - 8008 – GR Title IV-E FMAP
  - 93.558 – Temporary Assistance to Needy Families (TANF)

    - 93.658.050 – Title IV-E Foster Care – Administration

The projected general revenue variances are summarized as follows:

## **SIGNIFICANT CHANGES FROM PREVIOUS REPORT**

This is the fifth Monthly Financial Report for FY 2021.

## **OTHER KEY BUDGET ISSUES**

This month's report reflects an updated Fall forecast for entitlement programs (Foster Care and Adoption Subsidy/PCA), Contracted Day Care services, and Relative Other Designated Caregiver program. The forecast resulted in a shift in variances as the enhanced FMAP rates are included in the forecast and projections are reduced based on updated factors.

The report reflects a projected shortfall in CPS Purchased Client Services, which maintains FY20 projected spending levels. Additionally, the report reflects available lapses identified as part of the governor's request for a 5% reduction in general revenue.

A request to exceed authority to transfer Fiscal Year 2020 appropriations to address funding needs in Strategy B.1.9, Foster Care Payments was submitted on January 28, 2021 (DFPS-2021-A-001).

In accordance with Article IX, Section 6.10, DFPS is providing notification of paid FTEs exceeding the appropriated FTE cap. DFPS has paid an average of 12,752.9 full-time equivalents (FTEs) in the first quarter of fiscal year 2021. This exceeds the general appropriations act (GAA) FTE level of 12,103.5. The GAA FTE level was established to account for reductions in FTEs associated with the implementation of Community Based Care (CBC), some of which are not scheduled to occur until later in the year. Specifically, the FTE reduction associated with the implementation of catchment areas 8A stage II, and 8B, stage I. Additionally, in consultation with the Legislative Budget Board, it was determined the FTE reduction associated with the implementation for catchment area 3B (initially scheduled for FY 2019) was duplicated, thus lowering the FTE level below the appropriated level of funding in the

FY 2020- 2021 biennium. As referenced in the Adjusted Cap column of Schedule 2, the GAA FTE level has been increased to account for the 3B duplicated reduction, and to temporarily account for the FTEs in catchment areas 8A and 8B. The adjusted cap in Schedule 2 will be updated at the time these catchment areas are implemented. Lastly, DFPS has created 171 positions necessary to support the Foster Care Lawsuit which has contributed to the excess in paid FTEs. Although the FTEs exceed the GAA FTE limitation, the cost for the FTEs is projected to remain within appropriated funding.

**CAPITAL BUDGET ISSUES**

The budget in Schedule 8 (Capital Projects) reflects the DFPS 2020-2021 capital appropriation levels. Future adjustments will be reflected in Monthly Financial Reports as revenues are realized and/or actual adjusting entries are processed in the Uniform State Accounting System.

C. This adjustment reflects changes in estimated federal entitlement funds (gains or losses) pursuant to Art IX, Sec 13.01, Federal Funds/Block Grants Fed Entitlements.

F. This adjustment reflects transfers between non-capital and capital budget items pursuant to Art IX, Sec 14.03(h), Limitation on Expenditures – Capital Budget (2020-21 GAA). *[See Schedule 8 for project detail]*

L. This adjustment reflects the carry forward of unexpended capital balances from FY20 to FY21 for Strategy F.1.1, Agency-Wide Automated Systems pursuant to Art IX, Sec 14.03 (i), Limitation on Expenditures – Capital Budget UB (2020-21 GAA). *[See Schedule 8 for project detail]*
