## About the Parent Collaboration Group

**Come and get your questions answered!**

The Parent Collaboration Group is led by parents like you, and it's there to support you.

Talk with parents who have been through the CPS process about:

- How long will the process take?
- Can I visit my child outside of the CPS office
- What rights do I still have as a parent?
- Can I speak to anyone above my caseworker?

Be sure to tell your caseworker you want to come! These meetings are all about you as a parent. Come to as many as you want.

Your parent liaisons look forward to helping you.

Remember to sign in when you arrive.
